

Metal Z-Shape Lockers

Our **Metal Z-Shape Lockers** are the stylish yet secure choice available in various colours and sizes. Each compartment has a coat hook. Popular with both Gyms & Offices these lockers can give your changing room the aesthetic appeal it deserves.

Our Z-Shape Metal Lockers can be customised to suit your needs.

- Sloping Top – Recommended where user may leave items on top of lockers.
- Locking types include coin-operated, (collect or refund) high quality cam locks, latch locks plus card locks.
- End Panels – For aesthetic appearance and to protect row ends, specifically designed end panels are available.
- Number plates and number discs for user friendly locker access
- Spare parts (Locks & Keys) for convenience.
